THE MIDDLEBURY CAMPUS

VOL. IX. THE MIDDLEBURY CAMPUS, WEDNESDAY, OCTOBER 22, 1913. No. 15.

VERMONT AGGIES EASY.

Middlebury Seconds Run Away with a 38 to O Score.

On Saturday, October 18, at 3 P. M., the Middlebury College Seconds lined up in battle array on our gridiron and prepared to take the starch out of a select team sent over by the Vermont Aggies, After the usual preliminaries, the teams took up their positions with the Aggies, kicking off and defending the north goal. The whistle honked the signal, the spectators cheered, Grant fell on the kickoff and the game was on. The Seconds seemed to forget that there were any opponents in the near vicinity, for they walked down the field in a most encouraging manner, "Robbie," "Pat" and "Hub" carrying the ball. Unable to take a brace, the Aggies crumbled in the last ditch and "Rob" ambled over the line for touchdown No. 1. No goal. Middlebury 6, V. A. S., 0. Midd kicked off and the Aggies immediately worked a successful forward pass, making first down. After an attempt or two at the line, the enemy punted, but the kick fluked out and Taylor fell on the ball for Middlebury. "Robbie" whirled off 20 yards around end and on the next play he repeated the performance and with a kicked goal the score stood, Midd 13, V. A. S., 0. Again Midd kicked off to Hamilton, who was nailed in his tracks. This discouraged the Aggies and they punted immediately to "Pat." "Hub" gained 30 yards, but on the next play we lost a few yards because of a fumble. The next move was a highly successful forward pass to "Fritz" and "Robbie's" booting being good, the score grew to Midd, 20, V. A. S., 0. "Cass," "Chal," Foote and Lamere substituted for the back field and the Aggies kicked off to Foote, who ran the ball back 10 yards. The ball was lost on a fumble, but the enemy had caught the disease and fumbled in return, Wheeler recovering for the Seconds. Midd made first down easily and a minute later "Joe" Lamere vanished in a cloud of dust only to reappear with the score changed to Midd, 26, V. A. S., 0. Midd kicked off and after various attempts and a general see-saw the whistle blew for the end of the first half with the ball in the middle of the field and in the Aggie's possession.

The second half opened with a vigorour amount of cheering ably supervised by our new cheer leader "Stew" Esten. Midd kicked off and the Aggies after a poor forward pass made short gains through the line. Their success was short lived however for their center passed the ball over the fullback's head for a 10-yard loss. This necessitated a punt and "Hub" receiving ran the ball back eight yards. Midd was unable to gain and the ball changed hands again but the Aggies fumbled and "Fritz" appropriated the pigskin our our use, "Robbie" gains 20 yards, "Hub" fails, "Robbie" repeats, and a pass to Butterfield brought us nearly to the long sought line. But now V. A. S. showed

(Continued on Page 3.)

VARSITY DOWNS ST. LAWRENCE 7-0

Fine Playing Against Heavier Opponents. Kron Scores on Long Run.

The Varsity showed the first real bit of team work this year when they waded into the much heavier St. Lawrence university team at Canton on Saturday and pulled the game out of the fire 7-0. The varsity made the trip without the presence of five of its best players, when Cronk, Cowles, Hutchins, Chapman, and Condit were compelled to stay at home by injnries and when the eleven ran on the field things looked rather dubious for their lightness was greatly emphasized as the two St. Lawrence elevens began their signal practice. The game began with a rush. St. Lawrence rushing the varsity off their feet, carrying the ball to the Midd goal line where they were stopped. Later Kron picking up a fumbled ball ran forty yards for a touchdown. From this time on the Midd boys fought, fought, and fought hard, and continually outplayed the St. Lawrence team regardless of the substitution of fresh home men. The St. Lawrence team were very adept at letting the ball slip from their digits giving Midd many chances to recover the ball when in danger and they took advantage of each opportunity. The fumbling was really due on punts, to the heavy gale blowing across the field making accurate punting and surety of catching them almost impossible, Kron punted well for the varsity while Triggs, Jones, and Bresnehan proved consistent ground gainers.

FIRST QUARTER.

Jones kicked off for Middlebury at 3 o'clock with Kinney catching the ball for St. Lawrence. He was practically stopped in his tracks. Gardner made fifteen yards around left end, Kinney made eight through center, Ford and Kinney making a first down again, this continued down the field to the Midd 10-yard line where Kran intercepted a forward pass and ran back five yards. After a few ineffectual attempts at the line, Kron punted out of danger to the St. Lawrence 35-yard line and after bringing the ball toward the Midd goal. Gardner tried a goal from the field giving the blue and white the ball on the 35-yard line. Again Midd could make no impression on the line and Kron punted to Kinney who was downed in his tracks. St. Lawrence could make no impression on the opposing line and Gardner punted to Bresnehan who proceeded to run it back 20 yards only to be tackled hard and temporarily injured. Bresnehan's brain was not in working order, he could not recall the signals and Triggs slipped into quarterback position. No gain could be made and Kron spiralled one to St. Lawrence and on a fumble Midd recovered the ball only to lose it soon after on downs. After a few plays time was called for the first quarter.

SECOND QUARTER.

St. Lawrence possessed the ball with the down as the first. They immediately fumbled into the Midd hands which was followed by a punt by the blue and white. Caten on an end run fumbled when tackled by Jones. Kron was the man in the place grabbing the ball he shook off several of the tacklers, and ran 40 yards for a score with Jones putting it clearly over the bar on the try at goal. On the kick off by Jones, Kinney ran back 10 yards before he was tackled. The ball see-sawed, changing hands many times during the next five minutes. Kinney being injured during the interim, R. Gardner took his place. St. Lawrence had just began a march down the field when Rourke broke up a pass giving Midd the ball. Kron immediately took advantage of the heavy wind and punted. The half ended soon after with the score Midd 7, St. Lawrence 0.

THIRD QUARTER.

Middlebury again kicked off with Gardner receiving and carrying the ball back about 10 yards before being downed. E. Gardner, R. Gardner, Roundy and Caten made five first downs before they were stopped by a forward pass going out of bounds. With the ball in their possession on the 35 yard line, Midd started their little procession down the field, Triggs, Jones and Hard alternating in carrying ball with big gains made by ripping through the tackles on the "hep" play, but now a forward pass went astray, and St. Lawrence received. St. Lawrence punted out of danger. After an exchange of punts the quarter ended with the ball in Midd possession.

FOURTH QUARTER.

After a few ineffectual attempts to gain, Midd punted to Carr who was downed before he could draw a second breath. They were unable to gain and lost the ball later when they were compelled to boot. Midd again began a march down the field which ended as Jones missed a try at a field goal from the 40 yard line. St. Lawrence punted again and Midd recovering carried the ball to the 40-yard line where Jones again missed a try at the goal. The ball was now continually in front of the St. Lawrence goal and they seemed unable to get it out of the danger zone although they held when Midd approached to near the score zone. The game was soon over with the ball on the 15-yard line in possession of the St. Lawrence eleven who had as the St. Lawrence Hill News said "Made a last desperate attempt to rush the ball down the field for a touch down when the whistle defeated the effort with the ball on the St. Lawrence 15-yard line." Final score 7-0.

Line up and summary:

ST. LAWRENCE.

Kelley, left end.
Hutchins, left tackle.
Kennedy, left guard.
McGuiness, center.
Morgan, right guard.
Leonard, right tackle.
Church, right end.
Ford, quarterback.
Gardner, left halfback.
Kinney, right halfback.
Caten, fullback.

MIDDLEBURY.

Jones, left end.
Reynolds, left tackle.
Rourke, left guard.
Lang, center.
Fish, right guard.
Parker, right tackle.
Hard, right end.
Bresnehan, quarterback.
Kron, left halfback.
Triggs, right halfback.
Weafer, fullback.

Touchdowns—Kron. Goal from touchdown—Jones. Referee—Scully of Syracuse. Timekeeper—Foley of Hobart. Head linesman—Canfield, St. Lawrence. Substitutes—Middlebury: Hayes for Triggs, Triggs for Bresnehan, Foote for Weafer, Lamere for Kron. Time of quarters—15 minutes.

CHARTER DAY.

Be Sure to Hear Dr. Hepburn. —Show Your College Spirit.

Everybody is urged to come out and help celebrate this day of days in the history of our college. To that distant day and to the men who on that day secured the charter for old Middlebury, we and the students before us owe our college. Let us show a little true respect for this anniversary and show up in full force on November 1st to hear the address to be delivered by the Hon. A. Barton Hepburn of the class of 1871. Dr. Hepburn is a banker and bank director in New York city and is noted in Europe as well as in America for his work in the world of finance. His address is bound to be highly interesting. Remember the date, November 1st.

Dance.

The dance held in the gymnasium last Saturday evening was a very much enjoyed affair. The Social Board had the dance in charge, and its success was largely due to their work. Of course a few accidentals contributed to make the evening more pleasant. The football team was here instead of in New York, for one thing. We were glad to have Bob Hill back in the orchestra and the music certainly "got across". The chaperones were Mrs. Skillings, Mrs. Cunningham and Miss Throop. Dancing lasted from eight until eleven o'clock and everyone was sorry to hear the strains of the last waltz.

ATTENTION!

Everybody that can play anything at all come out for band practice on Wednesday evening at 7:30 P. M. Freshmen be on hand and show us your musical talents. There will be new music.

What is the cause of all this raw weather?

Middlebury is in the intemperate zone, my boy.

Vol. IX. OCTOBER 22, 1913. No. 15

The only unpleasant feature of the dance last week was the dancing; that is a little bit of it. We have the privilege of dancing some of the new dances here but no one of the students in Middlebury should take advantage of that fact to dance in a way that would cause him to be politely requested to leave the floor in many places. We care too much for the social standing of her students to do this. It has been said that to the pure all things are pure, but vulgar, tough dancing is certainly neither pure nor beautiful and should not be permitted here.

How about building up a good, effective Debating Club, one in which we could debate and thresh out everyday happenings interesting to all of us? Questions of outside weight as well as matters of our own college life could be put into the line of discussion. Radicals and conservatives of all kinds and conditions would meet on the even footing of the debating floor and give to the assembled multitude "a feast of reason and a flow of soul." Matters of interest to the student body, such as the anti-compulsion movement, could here receive due consideration, hasty decisions would be minimized, and the minority would be given a fair and equal chance to prove the effectiveness of their ideas and ideals.

What is the matter with our vocal talent in Middlebury? This refers to the Woman's College. Why should not our Musical Association be as alive as that of the men? We have an enthusiastic president, an earnest and interested leader in Professor Royce and a fairly large amount of talent among our members, and yet we fail to take advantage of our opportunities and help the association to make good. No matter if we are not Geraldine Farrars or Madame Melbas. We can all sing a bit and a good many bits go to make up volume and tone. We all need the praetice and the association needs us all. Let's turn over a new leaf and turn out in full force at the the next rehearsal.

The following letter was sent to President Thomas and is here printed as an interesting story of the life of an early graduate of Middlebury:

LOCKWOOD, TENN., Oct. 8, 1913.

PRESIDENT THOMAS, Middlebury, Vt.

PRESIDENT THOMAS,

Dear Sir:—The incentive for writing you is in the Youth's Companion of October 9, 1913, page 526, "A Call to Service."

It suggested that an outline of the life of one of the graduates of Middlebury College of class 1818, Henry Ball of Holyoke, Mass. (who was my father), might be interesting to the Alma Mater.

Henry Ball studied law and practiced in Georgia from 1820 to 1834. In 1837 he moved to Cedar Lake, Lake County, Indiana, on a beautiful farm of prairie and woodland, bordering the Lake of Red Cedars, and for 31 years, with a highly cultivated wife and seven children, served his generation for the highest good of the community and county and even State, being foremost in religious service, in teaching and in various ways of intellectual improvement, in temperance, in music and art, and agricultural betterment, and for the best attainable in mental and moral uplift. He died in 1868, aged 74 years.

Three children survive, the eldest, Timothy H. Ball, 87 years old, at Sheffield, Ala., but spending the most of his life in Crown Point, Indiana, as Baptist minister for nearly 60 years, as teacher and author, having written several books, both religious and historical, and mnch other writings. Our country claimed one in 1865; one is in Kansas, a lawyer and farmer. Of the grandchildren, one is a doctor; of the great grandchildren one is a Baptist minister, four are doctors, and all of the over thirty descendents living are educated, Christian men and women. "The promise is to you and to your children."

During one of the vacations he was traveling in Canada, and was apprehended as a spy and put in prison, and was there four hours until cleared, and that was during the war of 1812 and '14.

Pages might be written of the wonderful life-work and its visible results, but I hope I may not have imposed too much.

Most respectfully yours,

MRS. MARY J. CUTLER.

Junior-Freshman Picnic.

On Wednesday afternoon, October 8, there was a swarming of juniors and freshmen and the pastures between Weybridge street and the Otter became suddenly popular. What were the coeds doing? Oh the '15 girls were just giving the girls of their sister class a picnic supper, that was all. Of course each girl had a different idea concerning the best way of avoiding the cows and barbed wire fences, so they took every imaginable route in getting to the spot. But when they did get there, my how the sandwiches, pickles, doughnuts and bananas—not to mention gallons of coffee—did melt away; until the juniors, realizing that the provisions were at an end, warned the freshman that no marks would be excused on account of indigestion. Then when each one had had as many toasted marsmallows as she could eat, the eighty girls gathered around the two big camp fires and sang college songs, ending of course with "March, March, On Down the Field" and "Good Night Ladies."

Y. W. C. A. Meeting.

"Missions" was the topic of the Y. W. C. A. meeting on Thursday afternoon, October 16, and the association was very fortunate in having Miss Maud Kelsey, a student volunteer secretary, to speak on the subject. She spoke quite forcibly on the great opportunities that were open today for missionary work, due to the openness, plasticity, neighborliness and changes in the world. Miss Kelsey spoke especially of China and quoted the remark of a Chinese girl: "Ancient China is melted; who will mold it?" China is asking for Christian teachers and the new president of China say he must have Christian principles at the foundation of his government. The need and the opportunities are also very great in India. Miss Kelsey was very interesting and her visit will undoubtedly be one of great benefit.

Glee Club Rehearsal.

The Glee club held its regular weekly rehearsal Tuesday, October 14. At this time Cassavant, '14, resigned his position as leader. No one was elected to fill his place, the matter being postponed until there was a large attendance. It was voted that Manager Dade, '15, be allowed to appoint an assistant until election was made. Cole, '15, was appointed as assistant.

Rev. Calvin B. Hulburt, ex-President of Middlebury college, represented Middlebury at the inauguration of the new President of Marietta college, Ohio, on October 14. Dr. Hulbert was president of Middlebury college from 1875 to 1880.

MIDDLEBURY COLLEGE

FOUNDED IN 1800

THE CENTRAL COLLEGE OF VERMONT

Equidistant from the Northern and Southern Boundaries. Half way between Vermont's largest cities. On New York Central Lines (Rutland Railroad). Four through trains daily each way between New York and Boston and Montreal. Fare (mileage) from New York, $5.34; from Boston, $4.00.

COURSES Three four-year courses, Classical, Scientific, and Pedagogical. The Scientific Course includes two years of preparation for engineering and admits to the Junior year of schools of technology of the highest grade. The Pedagogical Course prepares for teaching in high schools and school superintendence. The three courses embrace about one hundred and seventy-five studies in 17 departments of instruction.

ELECTIVE GROUPS Middlebury College offers to every student the personal advice and assistance of some member of the Faculty in laying out a practical course of study. Groups of studies have been formed for the benefit of students who have in mind a particular occupation. In connection with these groups, a member of the Faculty is appointed by the President to act as an adviser to students wishing to specialize in that group. The subjects in which groups have been formed are Agriculture, Business, Education Engineering, Journalism, Law, Medicine, Mineral Industry, and Theology.

NEW OPPORTUNITIES The physical education of every student has been provided for through the work of two competent physical directors. New departments of instruction have been added in Engineering, Home Economics, and Physical Education with 17 subjects of study.

FURTHER INFORMATION. Inquiries may be addressed to

PRESIDENT JOHN M. THOMAS.

MIDDLEBURY, VT.

1917.

Let this remind you that you are here to learn.

It grieves the college much that you should still cling to your juvenile habits and fail to follow the wiser example of your worthy seniors.

Fail not however to learn this lesson soon: That there is some knowledge in this world which you do not possess.

When your worthy senior is making a recitation kindly hold your peace.

He probably knows what he wishes to say without any assistance from you.

His privilege of recitation must not be usurped by a too violent ebullition of thy liquid learning.

If thy hand flies up involuntarily it might be carried in a sling with great success.

When a sudden effervescence of knowledge tickleth the tongue and would overcome thee, kindly ask to be excused from the class that the recitation may not be interrupted.

In the meantime you will have a chance to calm thyself and may later, if necessary, inform the instructor and the students on any points of the lesson which they do not compreeend.

Learn Now!
Get Wise!

The Petition.

The petition asking that compulsory church attendance be abolished has been presented to President Thomas. It was discussed in committee meeting yesterday and will be laid before the board of trustees when they meet on Charter day,

The Dramatic Club Meets.

Tuesday evening, October 7, the Dramatic club held its second meeting. Several of the girls discussed important current events. Hereafter current events will alternate with dramatics at the club meetings. Elizabeth Chalmer's subject was "Our Expensive Cheap Labor" and she explained the injuries which the immigrants suffered from congestion in the large cities. Ruth Greeley told of the past history and present conditions in the Philippines and discussed the advantages and disadvantages of granting them their independence. The topic "The Importance in the Present Session of Congress of Mr. McAdoo, the Secretary of the Treasury," was treated by Britomarte Somers. Mary Buck commented quite fully on the recent impeachment of Gov. Sulzer.

Engineering Club.

On October 8th the newly formed Engineering club met and elected the following officers for its first year of existence:—President, Willard Carpenter, '14; vice president, George Chapman, '15; secretary and treasurer, C. F. Seymour, '16. After a short business meeting the club adjourned. It is surely a good idea and there should be much interest in the doings and success of this club.

President and Mrs. John M. Thomas were in Rutland recently attending the celebration of the 125th anniversary of the Congregational Church of that city.

HIT up the stroke, man! It takes class to show speed!

Velvet hits it up mighty fine in the pipe! Selected middle leaf — the choicest—two years of aging in the warehouse — the nature process of seasoning — mellowing — takes two years to let the bite *out*, put the flavor right—make the whole smoke smooth. Velvet hits it up in a slow but sure manner and when Velvet hits *your* pipe—well that's the time we win—a friend! Don't forget, two years of aging —"Velvet." At all dealers.

Liggett & Myers Tobacco Co.

Middlebury Seconds Lose to Vermont Seconds 7—0.

While the varsity were winning laurels at St. Lawrence the second team lost their first game.

After the first kick-off the blue and white rushed the ball down the field and when a touchdown was in sight lost on a fumble to the green and gold. In fact, the first quarter was marked by fumbles on both sides.

In the second quarter the plays were more open and Vermont came near scoring on a field goal in the last two minutes of play, but the kick was not quite long enough and was caught by Cassavant. The second quarter ended with the ball in Midd's. hands.

In the third quarter the Vermonters had things about their own way. It was in this quarter that they scored their touchdown.

The fourth quarter from the start was by the far the snappiest quarter of the game. Midd. got back into it and fought, but to no avail and the game ended with the score 7 to 0.

Varsity Downs St. Lawrence.

(Continued from Page 1.)

some fighting blood and stopped us on their two yard line. They punted to "Cass". Foote made three yards and "Cass" ripped off 15 yards around end. Lamere went over for touchdown number five and the score stood Midd 32—V. A. S. 0. Midd kicked off and the Aggies after a few weak attempts punted to "Cass". Midd punted in return, a safety and the ball was put into play on V. A. S.' 20 yard line. Lamere made eight yards and "Cass" went over under full sail for the sixth and last touchdown. Final score, Middlebury 38—V. A. S. 0.

Report of Silver Bay Conference.

The Y. W. C. A. meeting of October 9th was led by Miss Jenne and Miss Sarah Funnell. The meeting was devoted to brief reports by several of the delegates to Silver Bay Conference. Much enthusiasm was shown by the speakers as they told of the social life, sports. study classes, and lectures which so pleasantly occupied the time of the two weeks at Silver Bay. The pageant entitled "The Ministering of the Gift," in which the Middlebury delegation had a part, was interestingly described. The Silver Bay benediction was sung at the close of the meeting.

It is hoped that an even larger number of girls may have the privilege of attending the conference next June.

The Fordham Trip.

The varsity started for New York at noon on Friday expeeting to have a good struggle with Fordham. Through some mistake in the transmission of telegrams however, these messages from the enemy arrived in reverse order and the plans were thus broken up, the team returning from Troy on a night train. The failure to get this game was unfortunate for our veterans were in the best of condition and would have given Fordham the time of their lives.

Delta Upsilon Fraternity.

The initiation and banquet of Delta Upsilon occurred Saturday evening, October 11. The following men were initiated: Wayne M. Haller, '15; and from the class of 1917, Harold E. Adams, Eugene Boyce, Robert F. Coates, Karl W. Davis, Harold M. Davis, Douglas R. Esten, Harold E. Hollister, Carl Kuebler, Lynn Montgomery, Rowland V. Ricker, Wellsworth C. P. Thomas, E. Heath Towne.

STUDENTS NOTES.

Miss Vera Suter is spending a couple of days in Burlington.

Miss Mary Geran '14 spent the week end at Shoreham with Miss Mary Archibald.

H. E. Goodell. '14, and Robert Loder, '15, attended the national convention of the Delta Upsilon Fraternity at Rochester, N. Y.

Robert Hill, '14, returned to college on Saturday, the 18th, after a long absence at his home in Brooklyn caused by the death of his father.

Basket ball practice will start in earnest as soon as the field is dry enough. The tennis tournament has been rather delayed on account of the weather, but if it doesn't snow too soon we will be able to run off the finals.

The Student Government association held its first meeting in the Hemicycle October 16 at five o'clock. The freshmen signed the constitution and were admitted to membership. It was voted to send the president, Helen Haugh, and a junior, Marion Thomas, to the Student Government convention at Swarthmore, Pa.

The Home Economics club met Wednesday evening at Pearsons hall. Clotilda Hayes was elected treasurer at the resignation of Ruth Kendall. It was voted to have a food sale at the earliest date. Ruth Noyes, Clotilda Hayes and Marjorie Martin spoke on "The General History of the Home Economics Movement." The meeting then adjourned and refreshments were served.

The women of the senior class gave a tea for Dean Throop on Friday afternoon, October 17. Over one hundred invitations were issued to the faculty wives and townspeople. The room was decorated with pine branches and bouquets of carnations. Dean Throop, Mrs. Burrage, Mrs. Lambert, and Miss Chalmers, '14, were on the receiving line.

The Connecticut club held their first meeting of the year in the German room on Thursday, October 16, with the president, Triggs, '14, presiding. The loyal nutmegers talked over plans for a general good time and feed to come in November, probably on the fourteenth. The committee appointed to attend to this were: Miss Marsh '16, Miss V. Arnold '16 and Miss Tooley '15.

November 4th is the date of the first elimination! All men who are planning to try out must attend rehearsals from now on. Don't think that your chances are small. Come out. Middlebury wants its best Glee club this season. Remember that there is a quartet to be selected, too. Tryouts for Glee club reader will take place just before the Thanksgiving recess. Don't waste time wondering whether you could "make the club." Give yourself a chance.

The first regular meeting of the Apollo Club was held on Friday evening, October 17, in the Latin room. There was a large and enthusiastic attendance; who listened with great intesested to the remarks of Professor Burrage, Professor White, Professor Sanford, and Dean Throop. Refreshments were served by members of the club. Everyone declared the meeting to be a great success and we hope that the club will have many successful gatherings.

Miss Laila McNeil,
Hammond Hall.

If any alumni or friends of the college are able to furnish a copy or copies of the Middlebury College Bulletin (Vol 3, number 5) for May 1909, the favor will be much appreciated. Please send to the Middlebury college library.

Civics Club.

This is merely a short notice to inform all those who do not know or who may have forgotten, that Middlebury gives to the students, by means of a Civics club, a chance to get in on the field of Politics. Here any one may give his honest reasons why Eugene Debs deserves the Presidency of the U. S. or he may expound to the uninitiated such inklings on the currency question as may oppress him mentally. Stir up your interest and show it by coming loyally to the meetings when the time comes. Information as to the club and its members may be obtained from its president, Robert Bundy '14.

Social Board Meeting.

A meeting of the Social Board was held at Pearsons Hall on Thursday evening, October 9. There are over 25 members on the board and nearly all were present. The board elected the following officers: President, R. S. Esten, 14; secretary, Miss Somers, '15; treasurer, Irving Cabot, '15. The necessary committees were left to the discretion of the president to appoint. It was decided to hold fortnightly dances for a while, at least, and other possible entertainments were discussed. Thursday of the third week in each month was chosen as the time for the regular meeting. Anyone knowing of possible entertainments of lectures is asked to notify some member of the board.

The regular monthly meeting of the Social Board was held at Pearsons Hall.

At the Dramatic club Wednesday evening, October 15, the last scene of act II and the first scene of act III from "The Piper" were given in the gymnasium at Pearsons. The setting of both scenes was a cross-road with mountains and forests as a background. The cast was as follows: The piper, Mildred Lusk; Michael, Roberta Arnold; Barbara, Ruth Hilton. The story of the play up to this point and from here on was told by Julia Wood.

CLOTHES THAT ARE DIFERENT are what you are looking for and you'll find them in our Hart Schaffner & Marx Suits and Overcoats; they are different in design, in quality and in workmanship. Come in and see what we have chosen; this service is at your disposal. ∴ ∴ ∴ ∴

The Secret of Good Batting

is similar to the secret of good business—it happens to some and just misses the others.

If there ever was a commercial home run it's Fatima, the Turkish-blend cigarette. The expert who conceived this blend was some batter! Fatima was first lined out in the college towns—the student body quickly proclaimed them winners. Today Fatima is the biggest selling cigarette in this country.

The secret is—pure, good, choice tobacco—no expense in the package—quality all in the smoke—"Twenty."
